PROTECT YOUR HEARING HANGOUT

Monday, October 24th, 2016 | 4:30-6:30pm

UCSF Mission Bay Hospital, 1855 4th Street, San Francisco CA 94158
Ground Floor: Conference Room A1602 A

UCSF’s Children’s Communication Center Presents:

October is national Protect Your Hearing Month! UCSF’s Children’s Communication Center, UCSF’s Department of Audiology and the Office of Childhood Hearing are partnering for a fun evening of learning and celebration to help all families learn about hearing protection. Children of all ages and hearing abilities are welcome!

Interactive Activities

Encourage your kids to learn about hearing and how they can help their ears stay safe from loud music and noises with interactive games and learning experiences.

Snacks

Light snacks and refreshments will be provided.

Meet Our Team

Members of our Hearing Loss Clinic team will be present to teach attendees about the ear and safe listening habits.
