

# Head & Neck Cancer Education & Support Group

- Hear from guest speakers with expertise in head and neck cancer treatment.
- Receive peer support in a confidential setting.
- Discuss and share experiences related to head and neck cancer.
- Learn about and share adaptive coping strategies.
- There is no charge for this support group, and it is open to non-UCSF patients.

## **Head & Neck Cancer Group**

A place to share your thoughts and experiences with others living with head and neck cancer, and hear from members of the interdisciplinary team.

### **Meeting Days & Times:**

Third Thursdays of the month  
5:30-7:00 pm via zoom

### **Facilitators:**

Ted Scheel, LCSW, MPH  
Cara Evans, MS, CCC-SLP
